

Merchants Coming Together

The Pawling Chamber of Commerce is forming a new Committee for all member merchants. The Committee is being formed to provide a way for merchants to come together and discuss ideas to improve the overall shopping experience in both the Village and Town of Pawling.

It will also create a network where fellow merchants can communicate easily and discuss and/or notify each other of any important issues that may come before us.

A General Meeting will take place on **Monday, March 12, at 5:00 PM at McKinney and Doyle** and is open to any member merchant who has interest in participating.

Please respond to
